Re: Water Right Permit No. **G1-26298P**

Dear Jodeane Purdie:

In response to your request, the development schedule for the above referenced water right has been extended as follows:

**Proof of Appropriation: April 15, 2020**

Basis of extension approval:

- A delay would enable the permit holder to meet public water supply needs, consistent with the intent of the permit.

Please mail in the enclosed *Proof of Appropriation* form by the deadline. If you have any questions, please contact Arlene Harris at arha461@ecy.wa.gov or (425) 649-7020.

When sending in your *Proof of Appropriation of Water* form, or your extension request, be sure to include all of the data you have been recording as required by your permit. The provisions requiring recording of data have been highlighted on the enclosed copy of your permit.
